

The new Medicinal Herb.
The introduction of Canehalagua from California, has been a most blessed blessing. Its extract, combined with Liverwort and Tar, is the basis of Dr. Rogers' Syrup of Liverwort, Tar and Canehalagua, which is working wonders in the cure of coughs and catarrhal affections. Were it used by all who have a predisposition to consumption, there would be few deaths from that disease. See their advertisement in another column. Jan. 15-16.

DR. ROGERS' SYRUP OF Liverwort, Tar and Canehalagua.
We might show logically why this preparation should cure, but it would be a needless waste of words, since we can summon hosts of witnesses to show that it does cure. The restored consumptive are the witnesses: ask them. Read their testimony in the pamphlet in the Agents' hands. Read also the advertisement in another column. 47 Jan. 15-16.

DR. GUYSSOTT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA.
A new remedy for Hereditary Taint.
Thousands of individuals are cursed with grievous complaints, which they inherit from their parents. The use of the Yellow Dock and Sarsaparilla will prevent all that, and save a vast amount of misery, and many valuable lives, for it thoroughly expels from the system the latent taint, which is the seed of disease, and so takes off the cause, by which the sin or misfortune of the parents are so often visited upon the innocent offspring.

Parents owe it to their children to guard them against the effects of maladies that may be communicated by descent, and children of parents that have at any time been afflicted with Consumption, Scrophulous, or Syphilis, owe it to themselves to take precaution against the disease being revived in them. Guyssott's Extract of Yellow Dock and Sarsaparilla is a sure antidote in such cases.

New Store!
To my old Friend and the Public in General:
I have again commenced the Mercantile business at my old stand lately occupied by E. C. Lazier, and have associated with me in business John E. Fleming.

We intend doing a plain, straight forward business, and expect to deal in every thing (except puff) that the people want. We intend to keep all kinds of Goods that are kept in the New York, Paris, Philadelphia and Baltimore Stores, and perhaps some things they do not keep. (We shall not deal in Poetry either, although we can sing a little.)

OUR PLATFORM.
Will be to sell low for cash or country produce, and to prompt payers on credit. We shall furnish our customers with their bills for settlement about the first of January and July. As we do not expect nor intend to make bad debts, nor employ an extra clerk to look after slopers, we think we can afford to sell a little less than some others, who necessarily have to make, in self defence, a provision for the same. Come, therefore, all who want Goods at low prices, and look at our Stock of Goods before you purchase elsewhere. A penny saved is a penny made.

WM. LAZIER, LAZIER & FLEMING.

\$500 Challenge!
Whoever concerns the health and happiness of a people, at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I see that the duty is solemnly assured you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changing from one kind of food to another, if you feel Pain in the Stomach, Peckings at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy—
Hobensack's Worm Syrup.
An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infants, and the most delicate children, without the least danger. It has made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an infallible remedy for the ailments with Dyspepsia, the astonishing cures performed by this Syrup, after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM!!
This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach, affecting the health so badly as to cause St. Vitus's Dance, and the most afflicted seldom if ever expect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills as to remove all obstructions, that the Worm Syrup may act directly upon the Worm, which must be taken in doses of 2 table-spoonfuls 3 times a day these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

HOBENSACK'S LIVER PILLS.
No part of the system is more liable to disease than the Liver, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the whole of the system, and the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of ROOTS and PLANTS furnished by nature to heal the sick. Namely, 1st, An Elixerwort, which augments the secretion from the Pulmonary membrane, or promotes the discharge of secreted matter.—2d, An ALTERNATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3d, A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and restoring health.

To Females.
You will find these Pills an invaluable medicine in many complaints which you are subject to in consequence either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purging the blood and other fluids so effectively as to put to flight all complaints which may arise from female irregularities, as leucorrhoea, piles, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being bad Imitation.

Fayette Springs.
THIS highly attractive and fashionable watering place has been leased, together with the "Fayette Springs Hotel," adjacent thereto, by the proprietor of the "FARMINGTON HOTEL," on the National Road, which has secured the best Cooks and the best Supplies of every kind, with a determination to please all his visitors. A new building, which has recently been added to the establishment.

These Springs are surrounded by the most delightful and romantic
Mountain Scenery,
in a cool climate, where the pure air and pure water—themselves the elements of health, God's greatest blessing to man on earth. The curative and purifying properties of the waters have been fully established by the fact that they have NEVER FAILED to cure the worst cases of Scrophulous, the most inveterate sores, and other Diseases of the Blood, by drinking the water freely, and by cases of eruptions bathing and applying the deposits of the streams externally. The waters are thoroughly chalybeate with portions of Magnesia, Sulphate, &c.

Besides, these Springs are located in the midst of CLASSICAL GROUND, within an hour's ride of Washington's First Battle Field, and 40 miles from the front of the entrenchments are still distinctly visible. GENERAL BRADDOCK'S and JENKINSVILLE'S GRAVES, DUNBAR'S encampment, WASHINGTON'S Spring and Meadows, which he owned till he died. In the immediate vicinity, also are several remarkable natural curiosities, among them

Delaney's Cave,
which may be explored for miles under the mountains, the celebrated OHIO PALE, on a "Cucumber" river, the CUCUMBER CATACT, descending from a revolving rock more than forty feet perpendicular.

GAME and TROUT FISHING abound in the neighborhood. Horses, Saddles and Carriages will be furnished for visitors.

Stages and Hacks will arrive at and leave the Steamboats at Brownsville daily, from whence visitors will pass in a drive of 4 or 5 hours to the Springs, about half the distance through one of the richest and most delightful agricultural regions in the country, to Uniontown and then 5 miles further over Laurel Mountain, presenting from its steep and its summit, splendid views of the great western Valley, with its rich, variegated and beautiful scenery.

In short, it is confidently believed there is no watering place in the country, presenting stronger attractions to those seeking HEALTH and PLEASURE than "the Fayette Springs," and the undersigned is very certain they can no where find a greater disposition to please, or more accommodating terms.

SALINE, Mich. Oct. 6, 1851.
MR. JOHN D. PARK—Dear Sir: It is with unutterable feelings of gratitude that I am able, through the Divine Providence of God, and by the wonder-working agency of that excellent medicine, "Guyssott's Yellow Dock and Sarsaparilla," to give you a few symptoms of my almost hopeless case.

In the winter of 1850 I was attacked with a severe pain, which was gradually extending the whole right side and leg; at the same time a total prostration of my physical system; also my leg had shrunk to about two-thirds of its common size. I procured the attendance of a skillful practitioner, who pronounced my disease one of the worst forms of erysipelas, and prescribed for me. I remained under his treatment until I was satisfied he could not help me. I then procured of your agent at this place, W. A. Beers, two bottles of Guyssott's Yellow Dock and Sarsaparilla, from which I received great relief.

After having taken four bottles more I was able to pursue my business without any inconvenience, and have been since that time a well man, while but a short time since I was confined to my bed three-fourths of the time; and I cannot ascribe the return of my health to any other cause than by the agency of that truly valuable medicine, Guyssott's Yellow Dock and Sarsaparilla.

HASSEL VAURIER.
SALINE, Oct. 14, 1851.
MR. J. D. PARK—Dear Sir: I send you the foregoing certificate, which, as far as I am acquainted with, is true. I procured it, thinking it might be a benefit to you and to the afflicted. You have the privilege of using it as you think best. Yours, W. A. BEERS.

The following letter is from a highly respectable Physician, who enjoys an extensive practice: N. H. STARK, O. R. Nov. 1, 1851.

DR. JOHN D. PARK: Dear Sir: Dr. Guyssott's Extract of Sarsaparilla. This medicine has been prescribed by me for the last three years, with good effect, in general debility, liver complaint, Jaundice, Dyspepsia, chronic and nervous diseases. In all Female Complaints it is certainly unequalled.

In the use of this medicine the patient constantly gains strength and vigor, a fact worthy of great consideration. It is pleasant to the taste and smell, and can be used by persons with the most delicate stomachs, and is safe, under any circumstances, in any case of the system, and to the afflicted I advise its use. DR. J. S. LEEPER.

NEENAH, Wis. Oct. 29th, 1851.
MR. JOHN D. PARK—Dear Sir: I am out of your "Wistar's Balsam of Wild Cherry," and "Dr. Guyssott's Extract of Yellow Dock and Sarsaparilla." Please forward a supply immediately.

Your Balsam of Wild Cherry worked to a charm here; not a bottle failed of affording immediate relief; and in every instance but one (an old gentleman of 71 years of age) it cured, and the Yellow Dock has done equally well. I took three bottles myself, last Fall, and enjoyed perfect health last winter, for the first winter for eleven years, being troubled with a severe eruption of the skin which laid me up from two weeks to four months every winter and spring until last winter.

Henry E. Jones, a brother merchant and a particular friend of mine, took two bottles of the Yellow Dock for a Scrophulous Eruption, which has worked an entire cure.

My store is corner of Wisconsin avenue and Walnut street. Yours respectfully,
CHARLES E. CASE.

THE HUMAN FRAME
Is the most perfect masterpiece of mechanism in the universe. Every artery, muscle, ligament and bone exhibits in its formation the wisdom of the Deity. Every joint and sinew works harmoniously with each other, and upon the natural performance of every function depends the healthful action of the whole.

PAIN
Disorganizes the whole system; it prostrates the nerves; it relaxes the muscles; it weakens the joints; it interferes with the functions of every organ; it checks the free and healthy circulation of the blood; it paralyzes the absorbents, and renders them unable to take up and replete the wasted form with sound material. For the very moment that this beautiful masterpiece of God becomes afflicted with pain, the influence is experienced throughout the whole system, no matter in what particular locality the pain may originate; whether in the Head, the Feet, the Back, the Knee Joints, the Elbow, the Teeth, the Gums or the Stomach; whether it arises from internal derangement, or is the result of external injuries, still the pain exercises its influence throughout every portion of the human system, and it is not until the cause of the prostrating influence.
